## Label Comprehension of a Prototype Household Antibiotic Kit for Emergency use in Anthrax Bioterror Preparedness

Published On: January 22, 2026 | Pages: 001 - 007

Author(s): Mohamed Al-Ibrahim\*, Kathleen Yeager and Susan R Al-Ibrahim

Background: In 2001, powdered spores of *Bacillus anthracis* were used for bioterrorism attacks in several U.S. cities. In response, the U.S. government implemented a strategic national stockpile strategy and experimented with household antibiotic kits (HAKs) for emergency use. However, regulatory approval for public distribution of HAKs was not implemented due to conce ...

## Potential Protective Effect of Cocoa Flavanols in Type 2 Diabetes: A Systematic Literature Review of Human Studies

Published On: July 01, 2025 | Pages: 001 - 013

Author(s): Díaz López Cristina\*

Objective: This systematic review aims to critically evaluate existing human epidemiological and intervention studies investigating the potential protective effects of cocoa flavanols against Type 2 Diabetes Mellitus (T2DM). Methods: A systematic literature search was conducted using PubMed, Science Direct, and Web of Science databases, covering the period of the las ...
